A530Di & A530Di Turntable 6" JENSEN WOODCHIPPER

The standard 6" JENSEN is one of the most popular contractors' machines on the UK market. With a 35hp 4 cylinder Kubota diesel, this machine incorporates all standard JENSEN features and comes with braked chassis, folding hopper, and spare wheel as standard. This machine will perform 24/7, and keeps your maintenance time to a minimum.

The A530 Turntable is a popular option for councils and those working on the highways. 360 degrees turntable makes for safe working whatever the worksite.
