

## Job Vacancy

### **Plant Fitter – Chard Branch**

Location Post Code: TA20 1BB

### **Job Description**

<b>Title:</b>	Plant Fitter
<b>Hours:</b>	As per Contract of Employment
<b>Accountable To:</b>	Service Manager – Wessex Eagle Ltd
<b>Financial Limits:</b>	Any company purchase must have prior approval from your line manager
<b>Reportees:</b>	None

### **Summary of Post**

Eagle Plant is an Employee Owned company. The position we are looking to fill requires someone who has experience in an engineering environment and preferably with machinery such as excavators, rollers, telehandlers and dumpers - although full training and support will be given.

You need to be mechanically minded and keep a positive attitude towards servicing, maintaining, finding faults and diagnostics on a variety of diesel, petrol and electrical tool hire items both in our workshop and on customer sites.

We are looking for an enthusiastic individual with an ability to communicate effectively with customers and other members of the team and who will maintain a professional outlook at all times. You must be able to prioritise tasks and work well under pressure. All candidates that apply must have a full UK driving license and the ability to tow would be of benefit.

Immediate start is available. Pay is on a weekly or monthly basis and wage will be negotiable on experience.

### **Key Accountabilities**

1. To carry out various aspects of plant, equipment and vehicle maintenance and/or repair which may involve fabrication, electrical, hydraulic work, to an appropriate high standard of condition whilst strictly adhering to the manufacturers own procedures, including servicing within specified intervals, improving the appearance where appropriate and the use of original equipment replacement parts.
2. Ensure that all plant and equipment is thoroughly inspected at off hire and any damages reported to the Service Manager.

3. To carry out cleaning activities on workshop areas and fleet as requested.
4. Attend to the stock checking of plant, tools, fuel, consumables and equipment as requested by the service manager.
5. Maintain and enhance good working relationships with all customers at all times, either by telephone or personal communication on site.
6. Assist with the loading and/or unloading of equipment.

## **Confidentiality**

The post holder must maintain the confidentiality of all information about staff, customers and other aspects of the business, in particular compliance with the Data Protection Act 1998 and GDPR regulations 2018.

## **Health and Safety**

Employees must be aware of the responsibilities placed upon them under the Health and Safety at Work etc Act 1974, to ensure that the agreed safety procedures are carried out to maintain a safe environment for all employees and visitors.

## **Equal Opportunities**

The post holder must at all times be diligent towards their responsibilities of the company Equal Opportunities Policy.

This job description is intended as a guide to the scope of the duties and responsibilities of this post, and is not meant as an inflexible specification. It may be reviewed from time to time in consultation with the post holder, in line with changing circumstances and in light of organisational change.

This is a permanent position with Wessex Eagle Ltd T/A Eagle Plant.
